

Electric Supply Co.

*Plug Into Quality - People, Products, Service*

Industrial—OEM and Automation

**SIEMENS**

Crum Electric Supply is the Zone Champion for Siemens Industry in the Rocky Mountain Region. We employ a full-time Siemens Specialist and offer extensive training on all the products they offer.

- PLC's (Logo's, S7-200, S7-300, S7-400, and S7-1200)
- HMI's (Touch Panels, Pushbutton Panels, Panel PC's)
- VFD's (MM4 Series, G110, and G120) / Enclosed Drives
- Industrial Controls (IEC Control, NEMA Control, Pilot Devices, Sensor, Switches, and Relays)
- Power Distribution (Breakers, MCC's, Switchboards, Panelboards, Busway)
- Servos, Soft Starts

Crum Electric Supply is the only Elite Distributor for Rittal in the state of Utah. This translates into better pricing, customer service, and training for you!

- Wallmount Enclosures
- Freestanding Enclosures (TS8)
- Human Machine Interface Consoles
- Climate Control

Crum Electric Supply stocks the full lines of both Panduit and Phoenix Contact. For panel builders, these are the two names synonymous with quality panels. From terminal blocks to din rail to wire ties to finger duct—we stock it all!
